

Social elections 2019

It is official, the next elections for the staff delegations will take place between 1 February and 31 March 2019. A law of 7 May 2018 was voted in order to modify the dates initially set.

According to the Labour Code, staff delegations are in principle renewed in full between 15 October and 15 November of each fifth calendar year. This year, the legislative elections will take place during this period, which is why it has been decided to postpone the social elections to 2019.

Thus, the staff delegates, initially elected for a 5-year term, will remain in office until the new delegation takes office.

The exact date of the elections will be communicated later by the Minister of Labour.

The elections for the renewal of the members of the Chamber of Employees will take place at the same time.
