

What is AdminBox and why should I use it?

→ <https://adminbox.myarchive.lu>

Adminbox is a platform that helps you manage all your documents online, in one central location.

Thanks to this platform, you can consult your payslips or other documents online at any time, whether you are on a computer, a laptop or a tablet. This ensures that you never lose your important documents again.

In short, it is a real library containing **all the useful documents** related to your work assignments, **accessible with a single click**.
