

How do I change my password in my AdminBox account?

Go to the "User settings" of your AdminBox account.

1. Go to the "**Password**" menu
2. Enter your current password
3. Then enter your new password. Be sure to include at least: 8 characters including at least 1 upper case letter, 1 lower case letter, 1 number and 1 special character.
4. Finally confirm your password
5. Click on "**Save changes**".
